CRIMINAL JUSTICE

Individuals who work in the criminal justice field must have a deep knowledge of its functions, processes, and policies, as well as a strong understanding of the historic and societal considerations that shape current best practices.

North Central's program combines specialized career and liberal arts courses to provide a balanced perspective on current practices while helping students develop into ethical, professional public servants.

CAREER OPPORTUNITIES

- Detective or Criminal Investigator
- Police or Sheriff's Patrol Officer
- Forensic Science Technician
- Corrections Officer

TRANSFER OPPORTUNITIES

Graduates are prepared for entry-level roles in the field of criminal justice or for bachelor's degree completion in this or a related field.
